There was an error on the choir permission sheet that went home last week. "I have made transportation arrangements for my child to be at school at 8:00am on Thursdays" should NOT have been in there. Instead it should read, *I will pick up my child or have made other arrangement to have my child picked up at 4:00 pm on Tuesdays.*

This Week's Homework: Reading 20 minutes every night and complete log. Complete attached math and spelling homework sheets and reading log and return to school by Thursday, October 22nd.
