

Family Math Night Invitation

Thursday, November 12, 2009
5:30~7:30

All Webster students and families are invited and encouraged to attend an evening event focusing on math. The purpose of this event is to provide families with math strategies and activities you can practice at home. One of Webster's goals this year is to increase/improve all of our student's math scores. The math night is **FREE** for everyone!

Evening Event Schedule:

- 5:30-6:00 Dinner: sub sandwiches, chips, fruit, cookies and a drink.
- 6:05-6:25 Kindergarten-2nd grade classroom presentations
3rd-5th grade activity time in the computer lab, media center and math room.
- 6:30-6:50 3rd-5th grade classroom presentations
Kindergarten-2nd grade activity time in the computer lab, media center and math room.
- 6:55-7:30 A Math Magician will perform for all students and families in the gym.

**This entire evening is FREE for all Webster families.
We hope to see you all here!**

Cut here and return by Tuesday, November 10, 2009

✂-----✂

- Yes, we will be attending family math night.
Number of people _____ (including students).
- No, we will not be attending family math night.

Return to your child's teacher by Tuesday, November 10 so that we can order the correct amount of food.
